## Costa Delegates Dominate

### Edison High Model UN Conference

On Saturday October 21st and Sunday the 22nd, Mira Cost Model United Nations delegates competed against delegates from all over Southern California at Edison High School for their fourteenth year. A mix of sophomores, juniors, and seniors, competed; discussing issues such as AIDS, intolerance, and global warming.

Proving themselves yet again, Costa managed to win double delegation awards for the tenth year in a row. Out of a total of 88 students, Costa shined with 73% of their delegates winning an award, and 53% winning either first or second. This conference sets up Costa to compete with a split spread at Brown University and UCLA on the weekend of November 10th-12th. See page 2 for Edison conference results.
