Mr. Robert Timberlake
Mira Costa High School
MODEL UN Advisor

Mr. Robert Timberlake Leads Model UN From Victory to Victory

We all know that Mira Costa's Model UN is a highly respected academic program that consistently garners top awards at both local and national levels, from L. A. to N. Y. and everywhere in between. We also know success like this just doesn't happen without a solid leader, and that person is Mr. Robert Timberlake.

Who is this gentleman who can bring out the tiger in the shy novice, or encourage students to research and write papers like college scholars? Is it by magic that Mr. Timberlake has created a MUN tradition where our students always give their best effort, while we parents can't even get our kids to make their beds?

Maybe you've met Mr. Timberlake at Back-to-School Night, or at a conference, but want to know more about him. Here is your opportunity. Mr. Timberlake resides in the South Bay with his wife, Stacey and their 15 year old son Kyle, and 13 year old daughter Olivia. A California native, born in Long Beach, and raised in Huntington Beach, Mr. Timberlake attained his undergraduate degree and teaching credential by attending Golden West Jr. College, USC, and Long Beach State. He earned his graduate degree at Loyola Marymount in History and Education.

His first year teaching at Mira Costa was 1986-87. Having been a student in Model UN at Huntington High, he saw this program as a natural fit for Costa. The Mustangs' first delegation award was at Mission Viejo, best one was the first at Georgetown, and they've won delegation awards at every conference since.

When away from Model UN, Mr. Timberlake plays golf, no surprise since he is also the boy's varsity golf coach at Costa. He also enjoys reading, and catching a good movie. His favorite books are *World Lit by Fire*, *Master of the Senate*, and *Rise of Theodore Roosevelt*, while his favorite movies are *Chariots of Fire*, *Amadeus* and *Dr. Strangelove*.

"It's about being accountable to community, school, parents and then one's self. Quality of effort leads to respect, achievement, pride and true success," said Mr. Timberlake. Perhaps these words best describe the inspiration that guides our students to reach their goals, and maintain Model UN's well earned reputation as the team to watch.

Mira Costa Breaks RECORDS

UCLA Conference

Mustang delegates did it again! They took "Best School" at the UCLA Model UN Conference, Nov. 5-7. But they didn't stop there. Costa broke a conference and school record for the most gavels won. Impressive when you consider that some 900 high school students from 20 schools attended. Mira Costa was represented by 95 student delegates, and captured 10 out of 13 first place awards. Congratulations Mustangs!

Delegate, Chance Goldberg at UCLA's MUN conference.

Parents Tour UCLA's MUN

The atmosphere was as serious as the topics discussed. Delegates were at the top of their game as parents witnessed students in action. Mr. Timberlake's personal tour provided parents with a greater insight and appreciation into the inner workings of a MUN conference.
