President's End of School Year Message

I have just returned from college orientation and finally realize that this school year is really, really over and our MUN Seniors are moving on. I should have had this moment of clarity earlier in June during the MUN banquet, but I was in ostrich mode. You understand, sometimes these parental moments of acceptance and truth come on their own evolutionary schedule.

The Senior Banquet was a wonderful evening of shared memories with MUN seniors, families and friends. Thanks to Cathy Togut and her right-hand man Michael for organizing this enjoyable event. It was fun having so many of our graduating students in one place for an all too-short time. I enjoyed the video provided by the talented Aaron Peltz and George Chen. Seniors, best of luck with all your upcoming adventures. If you have a spare second, drop us a line. We are all proud of you and sincerely honored to have shared a small part of the Mira Costa MUN experience with you

Big thanks to our hard-working MUN Instructors and their families. Mr. Timberlake and Mr. Knutson have spent innumerable hours with the program. Their enthusiastic teaching and dedication to this program is reflected in the success of the students at the conferences, and now in the academic success of the graduating seniors.

I have no adequate words to thank the busy members of the Booster Club Executive Board and Committee Chairs. I have received the greatest gift this year, new friends and new experiences. Our MUN students have had many new learning experiences this year, as has this club president. A million thanks to Natalie Allen, Lori Burns, Susan Heisler, Edith Shure, Stephanie Ram, Nancy Watson, Susan Sirbu, Karen Chisum, Larry Scanlan, Kris Friedlander, Gail Currey, Barbara Umanoff, Debbie Keene, Cathy Togut, Nancy Hersman. You are essential to the success of this MUN Village.

Thanks to the many parents who chaperoned conferences, worked long LAIMUN hours, manned Hometown Fair booths, moved poinsettias, and supported the efforts of Booster Club and the students. I am inspired by your dedication to the education of our students, and your willingness to show your enthusiasm with hours of volunteer work. You make the MUN Booster Club village strong and student orientated.

Enjoy your short summer, we return in September ready to roar!
